

REMARKS/ARGUMENTS

The claims are amended to remove multiple dependency and to change "use" language in Claims 7-12 to --method of using--.

No new matter is believed to have been introduced in the claims.

The claims are now in condition for examination and an early notice of such action is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
Norman F. Oblon
